## Notes & Details

Serve up your signature vegetables, casseroles, fried foods, and virtually any other hot dish with this Avantco W50CKR electric countertop warmer! This unit can be used to hold already-hot products at food safe temperatures! Whether you operate a buffet line, concession stand, or self-serve station, this 1500W warmer offers the functionality and versatility needed to always provide fresh-tasting products.

The temperature range is adjustable from 120-212 degrees Fahrenheit thanks to a simple control knob, and with less than a 30 minute warm up time needed, this unit offers a quick and effective way to heat up the products your guests love most!

This 12" x 20" countertop food warmer is both light weight and portable, making it an ideal solution for caterers or food trucks. It boasts a sturdy stainless steel water well that is sure to withstand the wear and tear of constant use, and the interior is lined with corrosion-resistant 20 gauge stainless steel to make cleaning an effortless task. This unit requires a 120V electrical connection.
