Notes & Details

Keep your french fries, onion rings, or fried chicken fresh and ready to serve with the Avantco W61 aluminum free standing heat lamp with 1 bulb. Fried sides are a staple in virtually every type of restaurant or concession stand, so it's important they be up to your guests' standards even if they're not being made to order! This lamp boasts a simple design that combines with a rugged construction to give you a reliable way to keep fried foods hot without drying them out so they always taste like they just came out of the fryer. The Avantco W61 free standing food heat lamp is quite versatile thanks to its adjustable stand, allowing you to control the intensity of the heat reaching your food to prevent over-drying.

This 1 bulb lamp is made of heavy-duty aluminum to withstand the daily demands of your busy fast food restaurant, concession stand, or snack bar. Not only does this lamp simultaneously deliver the heat needed to keep your food hot, crisp, and ready to serve at all times, but it also illuminates the product so you can fulfill orders quickly and easily. One clear, shatterproof 250W bulb is included so you can use the warmer right out of the box. The shatter-resistant bulb is rated to last for up to 6,000 hours and provides a cool light to show off your signature dishes. This unit requires a 120V electrical connection for operation.
