Type	Warmers

## Notes & Details

Keep your steamy vegetables, melted cheese, sauces, toppings, and gravies hot, safe, and ready to plate with this Avantco W50CKR electric countertop warmer / topping station! This unit can be used to rethermalize precooked food from a frozen or refrigerated state, or even to hold already-hot products at food safe temperatures! Whether you operate a buffet line, concession stand, or self-serve station, this 1500W warmer offers the functionality and versatility needed to always provide fresh-tasting products.

The temperature range is adjustable from 120-212 degrees Fahrenheit thanks to a simple control knob, and with less than a 30 minute warm up time needed, this unit offers a quick and effective way to warm up the products your guests love most. This 12" x 20" countertop food warmer is both lightweight and portable, making it an ideal solution for caterers or food trucks. It boasts a sturdy stainless steel water well that is sure to withstand the wear and tear of constant use, and the interior is lined with corrosion-resistant 20 gauge stainless steel to make cleaning an effortless task.

Included in this kit are (6) 2 1/2 qt. inset pots, with accompanying stainless steel ladles and notched covers to keep the contents of the pots nice and hot as well as to help retain moisture. The 12" long ladles each hold 1 oz. and have hooked handles so that they do not fall into the pots. Also included is a 6 hole steam table adapter plate that sits atop the warmer and perfectly accommodates the included pots. This unit requires a 120V electrical connection for operation.

### Included in this Kit:

- (1) Food Warmer
- (1) 6 Hole Adapter Plate
- (6) 2 1/2 Qt. Inset Pots
- (6) Notched Covers
- (6) Ladles
