Notes & Details

This Avantco Ice 19400001 condenser is a direct replacement for the one that came with your Avantco Ice ice machine. It is an important part of the refrigeration system that is responsible for dissipating heat. If this part is no longer working effectively, be sure to swap it out with an operational one. It's compatible with Avantco Ice UN-100-A and UC-B-77-A ice machines.
