Avantco Ice 19402301 Door Bushing for UC Series - 4/Pack

Item #19402301

Technical Data

Hardware Type	Bushings
---------------	----------

Features

- Direct replacement for original part
- Reduces wear and tear
- Helps prevent frictional resistance for smoother rotation
- Compatible with Avantco Ice UC series undercounter ice machines

Notes & Details

This Avantco Ice 19402301 door bushing is a direct replacement for the one that came with your Avantco undercounter ice machine. Use it to replace a worn or broken part to keep your unit operating efficiently. This bushing is used to reduce wear and tear and frictional resistance, making the door shaft rotate smoothly. It's compatible with Avantco Ice UC series undercounter ice machines.
