Item #19410099

Technical Data

Type	Electronic Parts
------	------------------

Features

- Direct replacement for original part
- Helps to control the water level
- Compatible with Avantco Ice UC-B-77-A

Notes & Details

This Avantco Ice 19410099 high water level switch is a direct replacement for the one that came with your Avantco Ice ice machine. Use it to replace a worn or broken part to keep your unit operating efficiently. This switch helps to control the water level, preventing water overflow and protecting equipment from the water pump idling. It's compatible with Avantco Ice UC-B-77-A ice machines.
