## Avantco Ice 19410208 Expansion Valve Assembly for select Avantco Ice Machines

Item #19410208

### Technical Data

Type	Valves
------	--------

### Features

- Direct replacement for original part
- Compatible with select Avantco Ice machines

### Notes & Details

This Avantco Ice 19410208 expansion valve assembly is a direct replacement for the one that came with your select Avantco Ice machines. A damaged valve can prevent your unit from operating to specification, which in turn may lead to premature failure in other refrigeration system components. Be sure to inspect the valve regularly and replace if needed. It's compatible with select Avantco Ice machines.

**⚠ WARNING:** This product can expose you to chemicals including lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to [www.p65warnings.ca.gov](http://www.p65warnings.ca.gov).
