Item #19420720

Technical Data

Type	Valves
------	--------

Avantco Ice Machines

Features

- Direct replacement for original part
- Helps control the amount of refrigerant that flows into the evaporator
- Compatible with Avantco Ice MC and KMC series ice machines

Notes & Details

This Avantco Ice 19420720 expansion valve assembly is a direct replacement for the one that came with your Avantco Ice ice machine. Use it to replace a worn or broken part to keep your unit operating efficiently. This part helps control the amount of R-290 refrigerant that flows into the evaporator of your ice machine. It's compatible with Avantco Ice MC and KMC series ice machines.
