Item #19490453

Technical Data

Type	Filter Parts
------	--------------

Features

- Replaces the original filter that came with ice machine
- For use with Avantco UC-120-A undercounter ice machine

Notes & Details

This Avantco Ice Machines 19490453 air filter is a direct replacement for the one that comes with the Avantco UC-120-A undercounter ice machine. The air filter is vital to your equipment, keeping dust and debris from clogging the internal components so that it can run at peak efficiency! Be sure to inspect the filter regularly and replace if needed.
