## Avantco Ice 19491934 Pump Assembly for MC-350, KMC-35, MC-420, and KMC-420

Item #19491934

### Technical Data

Type	Pump Components
------	-----------------

Avantco Ice Machines

### Features

- Powers pump so it can effectively draw water
- Replaces the original motor that came with ice machine
- Fits MC-350, KMC-35, MC-420, and KMC-420

### Notes & Details

This Avantco Ice Machines 19491934 pump assembly serves as a direct replacement for the one that comes with select modular ice machines. It is designed to supply the water pump with power so it can effectively draw water into the machine. If this part is no longer working effectively, be sure to swap it out with an operational one.
