Avantco Ice 19492487 Blue LED Light Strip for Select Undercounter Ice Machines

Item #19492487

Features

- Displays when the unit has reached proper cold temperature
- Replaces the original light that came with ice machine

Notes & Details

This Avantco Ice Machines 19492487 blue LED light strip serves as a direct replacement for the one that comes with select undercounter ice machines. It is designed to detect when the ice bin is operating at a cold temperature. If this part is no longer working effectively, be sure to swap it out with an operational one.
