Avantco Ice 19493506 Condenser for Select Undercounter Ice Machines

Item #19493506

Avantco Ice Machines

Features

- Helps refrigeration equipment dissipate heat
- Replaces the original condenser that came with ice machine

Notes & Details

This Avantco Ice Machines 19493506 condenser serves as a direct replacement for the one that comes with select undercounter ice machines. It is an important part of the refrigeration system responsible for dissipating heat. If this part is no longer working effectively, be sure to swap it out with an operational one.
