

Avantco Ice 19493910 Compressor for UC-H-280-A and UC-F-280-A

Item #19493910

Technical Data

Length	8 11/16 Inches
Width	5 15/16 Inches
Height	7 1/8 Inches
Refrigerant Type	R-290
Type	Compressors Mechanical Parts

Features

- Direct replacement for original part
- Compatible with Avantco UC-H-280-A and UC-F-280-A ice machines
- Necessary system component
- Uses R-290 refrigerant
- Includes starter components

Notes & Details

This Avantco Ice compressor serves as a direct replacement for the one that came standard with your Avantco UC-H-280-A and UC-F-280-A ice machine. It is designed to use R-290 refrigerant and swaps out quickly with the compressor in your unit to minimize downtime. This item includes starter components. A broken or malfunctioning compressor can prevent your unit from maintaining specifications and cause strain on other components, so be sure to replace it promptly.
