Avantco Ice 19494087 Door for UC-77-BA Undercounter Ice Machine

Item #19494087

Technical Data

Type	Door and Chute Parts
------	----------------------

Features

- Direct replacement for original part
- For use with UC-77-BA ice machines

Notes & Details

This Avantco Ice 19494087 door is a perfect replacement for the one that came standard on UC-77-BA undercounter ice machines. The door ensures that your ice doesn't become contaminated with debris and foreign materials, and also helps to insulate the bin and slow ice melt, so be sure to fix a broken one promptly.
