Avantco Ice 19494321 Microchannel Condenser for Select Avantco Ice Machines

Item #19494321

Avantco Ice Machines

Features

- Helps refrigeration equipment dissipate heat
- Replaces the original condenser that came with ice machine
- Durable construction

Notes & Details

This Avantco Ice Machines 19494321 microchannel condenser serves as a direct replacement for the one that comes with your select Avantco ice machine. It is an important part of the refrigeration system responsible for dissipating heat. If this part is no longer working effectively, be sure to swap it out with an operational one.
