Avantco Ice 19494430 Drain Valve for Select Modular Ice Machines

Item #19494430

Technical Data

Type	Valve Parts
------	-------------

Features

- Ensures proper draining of water
- Replaces the original valve that came with ice machine

Notes & Details

This Avantco Ice Machines 19494430 drain valve serves as a direct replacement for the one that comes with select modular ice machines. It is an important part in ensuring proper drainage of water within the ice machine. If this part is no longer working effectively, be sure to swap it out with an operational one.
