Avantco Ice 19494468 Blue LED Light Strip for MC350/420/500 Modular Ice Machines

Item #19494468

Technical Data

Type	LED Components
------	----------------

Avantco Ice Machines

Features

- Displays when the unit has reached proper cold temperature
- Replaces the original light that came with ice machine

Notes & Details

This Avantco Ice Machines 19494468 blue LED light strip serves as a direct replacement for the one that comes with Avantco Ice MC250/420/500 modular ice machines. It is designed to detect when the ice bin is operating at a cold temperature. If this part is no longer working effectively, be sure to swap it out with an operational one.
