Item #19495548

Technical Data

Type	Drain Parts
------	-------------

Avantco Ice Machines

Features

- Direct replacement for original part
- Connects the water filter to the incoming water supply
- Compatible with Avantco Ice MC-H and MC-F series modular ice machines

Notes & Details

This Avantco Ice 19495548 water inlet pipe assembly is a direct replacement for the one that came with your Avantco Ice modular ice machine. It is designed to connect the water filter to the incoming water supply. If this part is no longer working effectively, be sure to swap it out with an operational one. It's compatible with Avantco Ice MC-H and MC-F series modular ice machines.
