Notes & Details

The Avantco Ice 19496608 ice drain gasket is a perfect replacement for the one that came standard on 383 lb. and 536 lb. ice machine bins. This part is integral to your ice machine bin's drain system, allowing a leak-free seal around the drain and preventing messy, wet floors. If your unit's drain gasket is worn out or leaking be sure to replace it promptly.
