Item #19496615

### Technical Data

Features	Made in America
Type	Chutes Dispensing Components

### Features

- Direct replacement for original part
- For use with HBN180-30 and HBN120-22 series ice dispensers
- Allows hassle-free ice dispensing

### Certifications

Made in America

### Notes & Details

The Avantco Ice 19496615 dispenser chute is a perfect replacement for the one that came standard on 120 lb. and 180 lb. ice dispensers. This part directs ice downward from the dispenser into a guest's cup, water bottle, or ice bucket. A broken chute can cause wasted ice and harbor germs and bacteria, so be sure to fix a broken one promptly.
