Avantco Ice 19497517 Filter Drier for Select Modular Ice Machines

Item #19497517

Technical Data

Type	Driers Mechanical Parts
------	----------------------------

Features

- Reduces sediment from incoming water supply

Notes & Details

This Avantco Ice Machines 19497517 filter drier serves as a direct replacement for the one that comes with select modular ice machines. It is designed to help reduce any sediment from the incoming water supply. If this part is no longer working effectively, be sure to swap it out with an operational one.
