Avantco Ice 19498002 Water Level Sensor for Select MN-522 and KMN-522 Ice Machines

Item #19498002

Technical Data

Length	7 7/8 Inches
Type	Electronic Parts Probes and Sensors

Avantco Ice Machines

Features

- Direct replacement for original part
- Compatible with select Avantco Ice MN-522 and KMN-522 ice machines
- Monitors the water level in your unit

Notes & Details

This Avantco Ice water level sensor serves as a direct replacement for the one that came standard with your Avantco Ice MN-522 or KMN-522 ice machine. It is used to monitor the water level in your unit. When the water level drops / the water has stopped, the machine should be stopped and serviced.
