Item #19498108

Technical Data

Length	4 1/8 Inches
Width	13/16 Inch
Height	13/16 Inch
Type	Electronic Parts Switches

Avantco Ice Machines

Features

- Direct replacement for original part
- Compatible with select Avantco Ice MN-522 and KMN-522 ice machines
- Detects refrigerant pressure

Notes & Details

This Avantco Ice high pressure switch serves as a direct replacement for the one that came standard with your Avantco Ice MN-522 or KMN-522 ice machine. It detects refrigerant pressure inside the copper tube. When the pressure is above or below the set range, an abnormal status will be displayed on the display panel.
