Item #19498632

Technical Data

Length	52 3/8 Inches
Type	Electronic Parts Lamps

Avantco Ice Machines

Features

- Direct replacement for original part
- Compatible with select Avantco Ice MN-522 and KMN-522 ice machines
- Assists with the bactericidal effect of interior lighting

Notes & Details

This Avantco Ice high pressure switch serves as a direct replacement for the one that came standard with your Avantco Ice MN-522 or KMN-522 ice machine. It assists with the bactericidal effect of the interior ultraviolet radiation lighting, helping with sterilization and disinfection.
