### Features

- Direct replacement for original part
- Compatible with select Avantco MC-H-530, MC-F-530, KMC-H-530, and KMC-F-530 ice machines
- Necessary system component
- Uses R-290 refrigerant
- Includes starter components

### Notes & Details

This Avantco Ice compressor serves as a direct replacement for the one that comes standard with select Avantco MC-H-530, MC-F-530, KMC-H-530, and KMC-F-530 ice machines. It is designed to use R-290 refrigerant and swaps out quickly with the compressor in your unit to minimize downtime. This item includes starter components. A broken or malfunctioning compressor can prevent your unit from maintaining specifications and cause strain on other components, so be sure to replace it promptly.
