Notes & Details

Always have plenty of ice on-demand for your guests with this Avantco Ice BIN23022 22" ice storage bin. This bin is perfect for bars, restaurants, or concession stands where cold beverages are served and can hold up to 275 lb. of ice. A lift-up door provides easy access to the ice inside.

With a durable type 304 stainless steel exterior construction, this bin is durable enough to hold up to the wear-and-tear of a busy commercial environment, while also being non-corrosive. The interior is an easy-to-clean polyethylene. A sanitary ice scoop is included and hangs on a conveniently placed hook so it does not become misplaced. Four 6" adjustable legs stabilize the unit on uneven floors and lift it off of the ground to make cleaning under it simpler. The ice bin drain pipe comes from underneath the backside of this unit.
