

Item #: 178SSPT27AC Project: _____

Qty: _____ Date: _____ Approval: _____

Avantco SS-PT-27-AC 27 1/2" ADA Height 1 Door Stainless Steel Cutting Top Refrigerated Sandwich Prep Table with Extra Deep Cutting Board

Item #178SSPT27AC

Technical Data

Width	27 1/2 Inches
Depth	35 1/2 Inches
Height	40 7/8 Inches
Power Cord Length	84 Inches
Interior Width	24 Inches
Nominal Width	27 Inches
Cutting Board Depth	10 1/2 Inches
Interior Depth	23 3/4 Inches
Interior Height	23 1/2 Inches
Work Surface Height	33 3/4 Inches

Features

- Top accommodates (6) 1/6 size and (2) 1/9 size, 6" deep food pans
- Industry-best 3/4" thick, 15" deep cutting board provides 4 1/2" of additional workspace
- ADA height casters included; digital controls with automatic defrost
- Stainless steel exterior and interior; foamed-in-place polyurethane insulation
- 115V; 3/7 hp compressor; R-290 refrigerant

Certifications

5-15P

ADA Compliant

ETL Sanitation

ETL, US & Canada

Technical Data

Amps	2 Amps
Hertz	60 Hertz
Phase	1 Phase
Voltage	115 Volts
1/6 Size Pan Capacity	6 Pans
1/9 Size Pan Capacity	2 Pans
Access Type	Doors
BTU (LBP)	974 BTU
Capacity	6 cu. ft.
Casters	With Casters
Color	Silver
Compressor Location	Rear Mounted
Compressor Style	Side / Rear Breathing
Construction	Stainless Steel
Cutting Board Thickness	3/4 Inches
Door Style	Swing
Door Type	Solid
Features	ADA Compliant Removable Magnetic Door Gaskets
Horsepower	0.4280000309944153 HP
Number of Doors	1 Doors
Plug Type	NEMA 5-15P
Refrigerant Type	R-290
Style	ADA Height
Temperature Range	33 - 40 Degrees F
Top Type	Cutting Top Standard Top
Type	Prep Refrigeration

Notes & Details

Optimize your back-of-house operations with this Avantco SS-PT-27-AC 27" ADA height 1 door stainless steel refrigerated sandwich prep table, and better keep up with customer demands. Whether used in a university, sub shop, or hospital, the unit is sure to help streamline the sandwich prep process with its convenient features and capacity. Its top, for instance, accommodates up to (6) 1/6 size and (2) 1/9 size food pans up to 6" deep (sold separately). These are great for holding common sandwich or salad toppings, from eggs and cheese to green pepper or ham. Plus, a lift-up lid encloses the top to maintain proper, food safe temperatures. An extra deep full-length cutting board, which is 15" deep to provide plenty of prep space, is mounted to the table surface but can be removed for thorough cleaning.

Beneath the workspace is additional storage space. Because it's refrigerated, the space is great for storing back-up ingredients, such as deli meat and cheese, as well as less common toppings. An epoxy-coated shelf is included and can accommodate up to 90 lb. of weight, helping to organize your assorted supplies. You can even use a reversible hinges kit (sold separately) to convert the hinges to the left side of the unit. Divider bars are also included for ultimate convenience.

High-quality performance is made possible by the unit's 3/7 hp refrigeration system, which maintains temperatures between 33 and 40 degrees Fahrenheit. It does this by circulating R-290 refrigerant. This specialized refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3.

The construction of this unit is designed with commercial use in mind. It features a 430 type stainless steel exterior and 304 type stainless steel interior, which are fortified with foamed-in-place polyurethane insulation. The insulation also helps to promote proper temperature retention. Since this unit comes with ADA height casters, it offers an accessible working height. For operation, the prep table requires a 115V electrical connection.
