Qty: _____ Date: _____ Approval: _____

Avantco SS-PT-71M-AC 70" ADA Height 3 Door Stainless Steel Mega Top / Cutting Top Refrigerated Sandwich Prep Table with 11 1/2" Cutting Board

Item #178SSPT71MAC

Technical Data

Width	70 3/8 Inches
Depth	33 3/4 Inches
Height	43 3/8 Inches
Power Cord Length	84 Inches
Interior Width	66 1/2 Inches
Nominal Width	70 Inches
Cutting Board Depth	11 1/2 Inches
Depth (with Cutting Board)	39 Inches
Interior Depth	23 3/4 Inches
Interior Height	23 1/2 Inches

Features

- Mega top accommodates (30) 1/6 size, 6" deep food pans (sold separately)
- Industry-best 3/4" thick cutting board is 11 1/2" deep to provide 3 1/2" more work space
- ADA height casters included; digital controls with automatic defrost
- Stainless steel exterior and interior; foamed-in-place polyurethane insulation
- 115V; 2/3 hp compressor; R-290 refrigerant
- Note: only the refrigerated sandwich prep table holds the ETL certification

Certifications

ADA Compliant

5-15P

ETL Sanitation

ETL, US & Canada

Technical Data

Work Surface Height	33 3/4 Inches
Amps	7.8 Amps
Hertz	60 Hz
Phase	1 Phase
Voltage	115 Volts
Wattage	780 Watts
1/6 Size Pan Capacity	30 Pans
Access Type	Doors
BTU (LBP)	2080 BTU
Capacity	18 cu. ft.
Casters	With Casters
Color	Silver
Compressor Location	Rear Mounted
Compressor Style	Side / Rear Breathing
Construction	Stainless Steel
Cutting Board Thickness	3/4 Inch
Door Style	Swing
Door Type	Solid
Features	ADA Compliant Removable Magnetic Door Gaskets
Horsepower	2/3 hp
Number of Doors	3 Doors
Number of Shelves	3 Shelves
Plug Type	NEMA 5-15P
Refrigerant Type	R-290
Starting Amps	23.4 Amps
Starting Wattage	2340 Watts
Style	ADA Height
Temperature Range	33 - 40 Degrees F
Top Type	Cutting Top Mega Top
Type	Prep Refrigeration

Notes & Details

Optimize your back-of-house operations with this Avantco SS-PT-71M-AC 70" ADA height 3 door mega top stainless steel refrigerated sandwich prep table, and better keep up with customer demands. Whether used in a university, sub shop, or hospital, the unit is sure to help streamline the sandwich prep process with its convenient features and capacity. Its top, for instance, accommodates up to (30) 1/6 size food pans up to 6" deep (sold separately). These are great for holding common sandwich or salad toppings, from eggs and cheese to green pepper or ham. Plus, a lift-up lid encloses the top to maintain proper, food safe temperatures. A full-length cutting board, which is 11 1/2" deep, is mounted to the table surface, providing a place for slicing ingredients and assembling orders.

Beneath the workspace is additional storage space. Because it's refrigerated, the space is great for storing back-up ingredients, such as deli meat and cheese, as well as less common toppings. Three epoxy-coated shelves are included and can each accommodate up to 90 lb. of weight, helping to organize your assorted supplies.

High-quality performance is made possible by the unit's 2/3 hp refrigeration system, which maintains temperatures between 33 and 40 degrees Fahrenheit. It does this by circulating R-290 refrigerant. This specialized refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3.

The construction of this unit is designed with commercial use in mind. It features a 430 type stainless steel exterior and 304 type stainless steel interior, which are fortified with foamed-in-place polyurethane insulation. The insulation also helps to promote proper temperature retention. 2 1/2" casters make moving simple for easy cleaning and bring the unit to an ADA-compliant working height. For operation, the prep table requires a 115V electrical connection.
