## Avantco SS-UC-36F-HC 36" Stainless Steel ADA Height Undercounter **Freezer**

Item#178SSUC36FA

## **Technical Data**

Width	36 1/4 Inches	
Depth	29 1/2 Inches	
Height	33 5/8 Inches	
Power Cord Length	84 Inches	
Interior Width	33 Inches	
Interior Depth	22 7/8 Inches	
Interior Height	23 1/2 Inches	
Work Surface Height	33 5/8 Inches	
Amps	4.1 Amps	
Phase	1 Phase	

## **Features**

- 2 1/2" casters make moving simple for easy cleaning and bring the unit to an ADAcompliant working h
- Strong and sleek type 430 stainless steel exterior and type 304 stainless steel interior for maximum
- Foamed-in-place polyurethane maintains temperatures from -8 to -1 degrees
- Easy-to-read digital temperature controller and auto-defrost function
- 115V; 1/2 hp
- Note: only the undercounter freezer holds the ETL certification

#### **Certifications**

ADA Compliant

☐ ETL, US ☐ 5-15P ☐ ETL Sanitation

## **Technical Data**

Voltage	115 Volts	
Wattage	275 Watts	
Access Type	Doors	
BTU (LBP)	1264 BTU	
Capacity	8.2 cu. ft.	
Compressor Location	Side Mounted	
Door Style	Swing	
Door Type	Solid	
Features	ADA Compliant Removable Magnetic Door Gaskets	
Hinge Location	Left Right	
Horsepower	1/2 hp	
Number of Doors	2 Doors	
Number of Shelves	2 Shelves	
Plug Type	NEMA 5-15P	
Refrigerant Type	R-290	
Starting Amps	12.3 Amps	
Starting Wattage	825 Watts	
Style	ADA Height	
Temperature Range	-81 Degrees F	
Top Capacity	318 lb.

#### **Notes & Details**

Make frozen food storage as convenient as possible with the Avantco 36" undercounter freezer. With a spacious freezer portion readily accessible through its two doors, the unit opens up to two shelves to help you organize your ingredients and best utilize the interior space. Plus, because they each accommodate up to 90 lb., the epoxy-coated steel shelves are well equipped for holding heavy bulk ingredients, from frozen broccoli and cauliflower to frozen pork chops.

This unit is designed for outstanding durability to ensure that it withstands tough, busy kitchen environments with ease. It features a type 430 stainless steel exterior, which provides both strength and a smooth, sleek appearance. The interior, made with type 304 stainless steel, also offers the durability necessary for heavy, regular use. Because of its low, undercounter design, the unit can effortlessly add frozen storage space without requiring space devoted solely to its footprint.

This freezer ensures optimal performance by operating with a 1/2 hp refrigeration system that circulates R290 hydrocarbon refrigerant to maintain temperatures from -8 to -1 degree Fahrenheit. R290 refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3. The foamed-in-place polyurethane insulation helps to trap in the cold air and to prevent the ambient air from entering. This ensures that all food held in the unit remains at food safe temperatures and ready for preparation or direct service to customers!

Operation of the freezer is easy, thanks to its special features. Monitor it by consulting the interior wall-mounted thermometer, and use the auto-defrost feature on the pre-programmed digital controller to maintain the freezer in tip-top shape. At the end of the day, take advantage of the casters and roll the unit aside to thoroughly clean the area. This undercounter freezer requires a 115V electrical connection for operation.

MARNING: This product can expose you to chemicals including lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to <a href="https://www.p65warnings.ca.gov">www.p65warnings.ca.gov</a>.
