Notes & Details

Showcase everything from cakes and pies to eclairs and flan in this Avantco BC-72-HC 71 1/2" curved glass white refrigerated bakery display case! Perfect for bakeries, cafes, coffee shops, and diners, the unit includes glass shelves to help display and organize product. Each shelf holds up to 55 lb. of weight.

Designed with double glass panels on 4 sides, the case provides maximum product visibility, tempting customers with decadent desserts. The glass doors slide open for quick and easy access without impeding foot traffic behind the case. The rest of the exterior is white, so you can be sure that it draws attention to the treats on display. Plus, LED lighting is built-in, illuminating product for a bright, enticing display.

This bakery case ensures optimal performance by operating with a 1/2 hp refrigeration system that circulates R-290 hydrocarbon refrigerant to maintain temperatures from 33 to 40 degrees Fahrenheit. R290 refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3.

This unit includes a set of 2" casters to make it easy to move for cleaning and service. A 115V electrical connection is required for operation.
