Notes & Details

Showcase everything from cakes and pies to cookies and muffins in this Avantco BCD-60 60" curved glass black dry bakery display case! Perfect for bakeries, cafes, coffee shops, and diners, the unit includes 2 glass shelves to help display and organize product. Each shelf holds up to 44 lb. of weight.

Designed with double glass panels on 4 sides, the case provides maximum product visibility, tempting customers with sweet doughnuts, savory bagels, gluten-free muffins, and other baked goods. The rest of the exterior is black, so you can be sure that it draws attention to the treats on display. Plus, LED lighting is built-in, illuminating product for a bright, enticing display.

This unit includes a set of 2" casters to make it easy to move for cleaning and service. A 115V electrical connection is required for operation.
