Notes & Details

Display your signature cakes, pies, cookies, and muffins with ease using this Avantco BCD-72-SW 72" white dry bakery display case with LED lighting! This floor unit is made to allow you to place your baked goods in a convenient location where they can merchandise themselves to hungry customers. Whether you are looking for a bakery case to place at the front of your coffee shop near your point of sale, or a case to set up in your diner where the customers can see your dessert selection while they eat, this unit is a great option.

This bakery display case features ultra-clear glass and bright, cool LED lighting that is designed to show off your baked goods! With a proper display, your bakery items can merchandise themselves and increase impulse sales. The case also has three durable interior heavy-duty tempered glass shelves that you can adjust depending on the items you want to display. The flat front glass provides an unobstructed view of your food while the side glass panels and rear glass access doors ensure that customers can see the case's contents from any angle and make it easy to load and unload products without intruding. This unit includes a set of (4) 2" casters to make it easy to move for cleaning and servicing and requires a 110V electrical connection for operation.
