Technical Data

Access Type	Doors
Capacity	3 cu. ft.
Color	Black
Compressor Location	Bottom Mounted
Door Style	Swing
Door Type	Glass
Features	LED Lighting Lighted Interior Pass-Through
Glass Style	Flat
Horsepower	1/7 HP
Number of Doors	2 Doors
Number of Shelves	3 Shelves
Plug Type	NEMA 5-15P
Refrigerant Capacity	1.4 oz.
Refrigerant Type	R-290
Temperature Range	33 - 40 Degrees F
Total BTU	665 BTU
Type	Countertop Refrigerators

Notes & Details

Showcase everything from cakes and pies to eclairs and flan in this Avantco GSM-3-2-HC black glass sided pass-through countertop display refrigerator! Perfect for bakeries, cafes, coffee shops, and diners, the unit includes 3 glass shelves to help display and organize product, from cakes to bottled water or soda. These shelves each accommodate up to 33 lb. and are easily accessible through the 2 pass-through doors for quick loading and retrieval. Because the unit is built for countertop use, it's a space-efficient solution for operations with limited space. Place it by the checkout line, and boost impulse sales as the desserts tempt hungry customers!

Designed with double glass panels on 4 sides, the case provides maximum product visibility. The rest of the exterior is black, so you can be sure that it draws attention to the treats on display. Plus, LED lighting is built-in, illuminating product for bright, enticing display.

This bakery case ensures optimal performance by operating with a 1/7 hp refrigeration system that circulates R290 hydrocarbon refrigerant to maintain temperatures from 33 to 40 degrees Fahrenheit. This specialized refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3. A 115V electrical connection is required for operation.

Overall Dimension:
Width: 17"
Depth: 16 3/4"
Height: 38 1/2"
Capacity: 3 cu. ft.
