## Notes & Details

Keep chilled beverages on hand at all times with this AvaValley BDR-84-SZ stainless steel single temperature beverage cooler with two drawers! Featuring a single-zone temperature range, this beverage cooler is the perfect way to keep your drinks and food items chilled and ready to serve. This fridge boasts a temperature range from 34 to 50 degrees Fahrenheit. Designed with 2 stainless steel drawers in a single refrigerated compartment, this unit features a digital temperature display and touch-temperature control panel so that your items are always perfectly chilled. This versatile chilled storage also features automatic defrost and LED interior lights that highlight your products. The bottom drawer also extends out 15 3/4", giving you plenty of space to place your beverages.

This beverage cooler is designed to be installed as either a freestanding or built-in unit and has a capacity of up to 84 cans. It also features a fully-finished black cabinet with a durable stainless steel front grill and handles for long-lasting use. With this AvaValley beverage cooler, your beverages will always be ready for service!
