Notes & Details

Beautifully showcase your wine with this AvaValley WRC-220-DZ single section dual temperature full glass door wine refrigerator! Featuring a dual zone temperature range, this wine refrigerator is sure to keep your beverages at the perfect temperature for service. The upper section has a temperature range of 41 to 53 degrees Fahrenheit while the lower section boasts a range from 53 to 72 degrees Fahrenheit. With 16 integrated, sliding beechwood shelves and a 208-bottle capacity, you can stock and organize a variety a beverages for your customers. Plus, blue LED lighting highlights your products while providing a sleek, sophisticated look.

For added security, a door lock is included to keep your refrigerator safe. The door is field reversible and extra hinges are included so you can choose whether the door opens left or right. Plus, the stainless steel frame and full length handle provide durability for long lasting use. With this AvaValley wine refrigerator, your wine and beverages will always be ready for service!
