Notes & Details

There's nothing like the taste of fresh seafood, and with this Backyard Pro 30 qt. aluminum boiler kit you'll have everything you need to whip up a flavor-packed batch of shrimp, crabs, crawfish, or clams. Or, pair your favorite seafood together with potatoes, corn, sausage, and your preferred seasoning for a perfect summertime seafood boil! This convenient kit comes with a heavy-duty steel stand, which provides the durability and stability needed to handle heavy pots of boiling water and seafood, and within that stand is a powerful 55,000 BTU cast iron propane burner that provides the heat needed to get water boiling quickly.

This kit also features a set of aluminum accessories, including a 30 qt. stock pot with a lid and a matching boiling basket to hold all of your ingredients. It also features a 10 qt. pot with a steamer basket to handle smaller batches as well. Additional accessories like a marinade injector, thermometer, and poultry rack also let you use it as a turkey fryer. The burner comes with a 5 PSI regulator and a 36" hose to connect it to a portable LP tank (sold separately). It's a great option for outdoor parties, catered events, barbecues, fairs, and clam bakes!

Kit Includes:

- (1) 30 qt. aluminum stock pot with lid
- (1) 30 qt. perforated stainless steel steam / boil basket
- (1) 10 qt. aluminum pot
- (1) 10 qt. steamer basket with handle
- (1) stand with 55,000 BTU cast iron burner
- (1) 12" long probe thermometer
- (1) perforated poultry rack with 3 skewers
- (1) lifting hook
- (1) 1 oz. marinade injector
