- 5 PSI adjustable regulator for full user control

Certifications

Portable LP Tank Connection

Technical Data

Number of Burners	1 Burner
Number of Fry Pots	1 Fry Pot
Power Type	Liquid Propane
Total BTU	55000 BTU
Type	Seafood Boiler Steamer / Fryer Kits

Notes & Details

This Backyard Pro 30 qt. aluminum turkey fryer kit is great for outdoor cooking, making it perfect for barbecues, fairs, and other events! The stock pot is made of durable 18 gauge aluminum for optimum heat conduction, and it's capable of frying turkeys up to 20 lb.

Deep frying a turkey is the best way to seal in all of the natural juices without making the bird greasy or fatty. You get the best of both worlds with the juicy succulence of frying without the extra grease and fat.

This kit features a 55,000 BTU cast iron burner in a durable, powder-coated rolled steel stand. A 5 PSI regulator hose ensures steady fuel flow to your burner for efficient, consistent results. Also included in this kit is the poultry rack, which holds your bird in place to ensure even oil distribution for a perfectly fried finish. The long probe thermometer measures from 100-750 degrees Fahrenheit, and it comes with a clip to secure it to the side of the pot. A 1 oz. marinade injector allows you to impart your signature flavors, and the lift hook makes it easy and safe to remove the turkey once it's done.

Kit Includes:

- Sturdy 30 qt. aluminum turkey fryer pot
- Aluminum lid
- Perforated poultry rack
- Lifting hook
- 12" long probe thermometer
- 1 oz. marinade injector
- 55,000 BTU burner
- Powder-coated steel stand
- 5 PSI adjustable regulator
- Rubber hose
