Notes & Details

This Backyard Pro 80 qt. outdoor seafood boiler / steamer kit includes all the parts and accessories you need to steam up a collection of shrimp and clams, or create your best seafood boils! Ideal for outdoor cooking, this set is perfect for barbecues, fairs, and clam bakes!

A stable, fully-welded square cooker stand houses the pot, while a powerful single jet burner provides 110,000 BTU over a 20" square cooking surface for quick, efficient, and even cooking. Whether you're steaming a basket of clams or boiling up a pot of shrimp, this combination boiler / steamer kit provides you with all the supplies you'll need to keep customers and friends coming back for more!

Kit Includes:

- Sturdy 80 qt. aluminum boiler pot
- Aluminum boiler pot lid
- Perforated steam/drain basket
- Fully welded cooker stand with jet burner
