Notes & Details

Fry up fish, french fries, chicken, and more with this Backyard Pro BPF4G 4 gallon steel liquid propane outdoor deep fryer! Boasting a 4 gallon oil capacity and 90,000 BTU, this double basket portable deep fryer has the power to keep up with demand at fish fries, patio cookouts, tailgating parties, BBQs, and other outdoor events. Plus, it's still compact enough for easy storage.

With a carbon steel construction, this fryer is built to last. Plus, the flame in this model is protected by wind guards, making it easier to fry foods for a BBQ with any kind of weather! The fryer's pot design pushes sediment to the bottom of the fryer, providing a cleaner frying experience. The rear drain makes changing out oil easy when it has cooled after frying. This unit also boasts an extremely fast recovery time, taking up less cooking time, and reducing the amount of oil both absorbed into the food and needed to refill the deep fryer after frying. Plus, this unit features a front-mounted thermometer for easy temperature monitoring.

For outdoor use only, the Backyard Pro 4 gallon steel liquid propane outdoor deep fryer features a steel frame with a high-temp paint to ensure that it will last for years to come. This model comes set up for liquid propane with a 20 psi regulator hose included.
