Notes & Details

Start brewing your own signature beers with this all-in-one Backyard Pro BREWKIT2 brewing kit with stainless steel single burner outdoor patio stove / range and 40 qt. / 10 gallon stainless steel brewing pot kit! This kit includes everything you need to set up a small-scale beer brewing system, and the brewing pot and lid are constructed of type 201, 0.8mm stainless steel to stand up to the heavy use it will take to perfect your beer recipes. The kit comes equipped with a brewing pot, an elevated drain basket, a thermometer, a strainer that is connected to the faucet, and a heavy-duty drain valve.

The stainless steel pot is designed with high sides and slim diameter to prevent any potential boiling mishaps. The heavy-duty 1/2" NPT drain valve is set up with an ultra-tight seal that eliminates leaks, making your brewing process as mess-free as possible. With a 40 qt. / 10 gallon capacity, this brewing system is ready to create your own six pack with ease!

With 55,000 BTUs of cooking power, the Backyard Pro stainless steel outdoor patio stove / range is the perfect stove for your brewing applications. Its 16" x 16" square top is more stable than comparably sized round outdoor burner designs and easily accommodates stockpots, cast iron skillets, or other cookware for other uses outside of brewing. Its durable, welded steel frame is designed for years of worry-free use. A 5 PSI adjustable high performance liquid propane regulator and 3/6" rubber hose is included to help you achieve excellent results. Whether brewing is a new hobby, or a potential new product for your business, add this brewing pot kit to your repertoire today.

Kit Includes:

- Brewing pot
- Elevated drain basket
- Thermometer
- Strainer (connected to faucet)
- Heavy-duty drain valve
- Outdoor patio stove / range
