

BACKYARD PRO

Backyard Pro 5" Caster with Brake for Liquid Propane Grills

#554BYP5CSTR

Technical Data

Diameter	5 Inches
Type	Casters

Features

- Fits on liquid propane grills
- Provides grill mobility
- Includes brake to keep grill stationary during use
- Direct replacement to original part
- Use if original is worn or damaged

Notes & Details

Use the Backyard Pro 5" caster with brake for the liquid propane grill. If one of the original casters is worn, damaged, or misplaced, this direct replacement restores the grill's mobility for easy movement. It also includes a brake so the grill remains stationary during use.
