Notes & Details

Take your culinary creations to a whole new level with the Backyard Pro 72" stainless steel liquid propane outdoor grill with wind guard! When the weather is warm and your patrons are hungry, nothing is more satisfying than getting outside and grilling up your signature meats, kebabs, and vegetables for them to enjoy! With just a 72" x 23" footprint, this grill fits comfortably on any deck or patio, while still leaving plenty of room for a bar, outdoor seating area, or fire pit. Thanks to the durable type 304 stainless steel construction, this grill is capable of withstanding the wear and tear of an outdoor environment.

The four spacious 17" x 21" stainless steel cooking grates provide an impressive 1422 sq. in. of cooking surface to grill burgers, corn on the cob, or pork chops. Featuring 10 independently controlled burners and 160,000 BTU in total, this grill brings the sizzling heat you need for searing and cooking. For added convenience, this unit provides a left or right mountable propane holder and regulator to keep your propane tank safely off the ground. It also comes with a large removable grease tray to catch excess drips. The included casters ensure hassle-free mobility across cobblestones or pavement. Built with integrity in mind, this Backyard Pro grill offers you a durable, heavy-duty grilling solution for country clubs, resorts, hotels, caterers, and more!

The included wind guards protect your food from wind and airborne contaminants. These guards easily attach onto your unit and make it easier to cook outdoors on a breezy day. Plus, by blocking the wind, they ensure even cooking and reduced heat loss. Complete with a durable stainless steel construction, these guards are built to last.
