Notes & Details

Utilize the Backyard Pro Butcher Series BSD-6T 6 tray food dehydrator to add a new dimension of food offerings to your menu! Ideal for butcher shops, specialty stores, and health food stores, this unit allows you to prepare jerky, fruits, granola, vegetables, herbs, and yogurt. You'll find that the dehydrator's (6) 14" x 10 1/2" ABS trays will increase your product yield while remaining easy to clean.

With a mechanically adjustable temperature range of 85-155 degrees Fahrenheit and a 40 hour timer, this unit provides supreme versatility and allows employees to mulitask with confidence. The doorless design improves convenience, and a black ABS exterior is durable and easy to clean. A digital display and touchpad make the BSD-6T dehydrator intuitive to set up and control. This machine requires a 120V electrical connection.
