

tasting spoons

Available in a variety of stylish patterns, our tasting spoons are designed to elevate your culinary presentations. Pair them with our innovative tasting spoon turntable for a dynamic, interactive experience—perfect for tastings, hors d'oeuvres, or shared appetizers. The beautiful wooden serving board rotates smoothly on a built-in lazy Susan, allowing guests to easily access every bite. Each spoon sits securely into recessed areas on the board, keeping your display organized, stable, and visually appealing from every angle. Combining practicality with elegant presentation, this set makes every tasting or small-plate service effortless and memorable.
