With the look of crystal but the durability of plastic, the Parker Collection's elegant sophistication will certainly turn heads. Made of the Tritain Copolyester, shatter-resistant, ultra-strong, dishwasher-safe material, this line of stemware and heavy-based drinkware is designed to serve where breakage is not an option. Available in a variety of popular shapes, capacities and styles.

Sip in style with our 12 ounce stemless wine glass from the Parker Collection. Perfectly blending elegance and durability, this glass is crafted from shatter-proof Tritan plastic, offering the chic look of glass without the fragility. The thick sham design provides a comfortable, sturdy feel in your hand, making every sip a delight. Ideal for serving everything from rich reds to crisp whites, this versatile glass is perfect for any occasion. With its timeless design and practical construction, the Parker Collection's stemless wine glass is your new go-to for all your wine adventures. Cheers to sophistication and style, without the worry!
