Customizing your display is a breeze with these amazing modular risers. Available in a variety of sizes and compatible with a wide variety of platters, you can build out the perfect buffet down to size, color and formation. A scion from the Twilight Collection, these risers have the same chic black look that pairs beautifully with any design, from stately marble to rustic wood.

Go big or go home with this 28″ L x 21″ W x 13″ H multilevel black riser from the Twilight Collection. Designed for maximum impact, this riser boasts a spacious layout perfect for showcasing a feast that's as grand as your vision. Whether you're serving up a spread for a crowd or adding a dramatic lift to your display, this riser has the versatility to handle it all. The large open frame not only adds height but also makes it a breeze for guests to grab those delicious bites. Compatible with an array of platters, from marble to wood, this riser makes customization easy—and with its chic, modern look, it's bound to turn heads.
