For the modern caterer, any opportunity for economization is valuable. We created the Black Twilight Multifunctional Riser to work as a “utility player” in your dining room. Each is a riser and a basket all in one. Whichever way you use them, these sturdy metal pieces would be a stylish, uber-versatile addition to your buffet service roster.

Use this 15″ L x 5-1/2″ W x 9″ H black metal riser as a chic way to display your snacks, desserts and other delicious bites. It has a minimalistic design that adds elegance to every display. Pair it with our compatible tray from the Black Twilight collection to finish the presentation!
