

Bowl Cleaner

Keep facilities smelling fresh and clean to ensure customer comfort with the Mild Acid Bowl Cleaner.

Power through stains, scale, and buildup with a heavy-duty, clinging acid formula. Designed for toilets and urinals, it sticks to vertical surfaces for longer cleaning power and leaves behind a fresh citrus scent.

Tough on deposits, safe for everyday maintenance.

Key Features

- 🔑 Citrus scent
- 🔑 Built for everyday preventative maintenance
- 🔑 Powerful enough to insure effective and total cleaning
- 🔑 A heavy viscous clinging concentrate for longer vertical surface penetration
- 🔑 Fully inhibited
- 🔑 Promotes excellent removal of scale, rust, stains, alkaline soils and hard water deposits on vitreous toilet bowls and urinals
