

Café Time Table II

The New Café Time Table II from NPS combines modern design with superior strength and functionality. Our high pressure laminate and whiteboard tabletops are easy to clean and will resist scratches. Available in both round and square shapes in 24", 30" & 36" size tops. Tables adjust from 30" to 42" using a smooth and easy to adjust pneumatic lever. The heavy-duty 13 gauge steel column and ½ inch steel base is securely fastened onto 3" Heavy-Duty Polyurethane non-marring swivel casters, providing a secure base which safely rolls to your desired location. The table top folds and locks into place and can be nested with other tables for safe compact storage. ANSI/BIFMA certified meeting all TSCA title VI requirements. Turn your Cafeteria into a Café dining experience.

✓ Durable

13 gauge steel column and ½ inch steel base securely fastened onto 3" Heavy-Duty Polyurethane casters provides the ultimate in durability.

✓ Multi-Functional

With a choice of whiteboard, high pressure laminate, and blowmolded tops, this table can be used in any environment.

✓ Easy Use and Storage

Smooth and easy to adjust pneumatic lever raises the table anywhere from 30" - 42". Table top folds and locks into place and can be nested with other tables for safe compact storage.
