Notes & Details

Serve fresh hot dog buns every time with this Carnival King BW24D 16-24 bun stainless steel bun warmer! This bun warmer can hold between 16-24 hot dog buns at a time and keeps buns fresh and warm by providing gentle, yet consistent, dry heat. This unit's 16-24 bun capacity is dependent on the size of the hot dog buns being used. Its compact size makes it the perfect companion warmer and allows you to serve fresh hot dog buns without wasting valuable counter space. It features a simple on / off switch for convenient and intuitive operation.

This bun warmer comes with a convenient magnetic flip-up front door and a tray that is removable, so you can always keep the unit clean. Made entirely of durable stainless steel, this bun warmer gives a sleek, professional look that seamlessly blends into any concession stand, food truck, or kiosk. It is recommended to leave buns in the bag for best results. Keep your hot dog buns consistently fresh for your guests with this bun warmer!
